Dear Friends,

On behalf of the City of Jackson, I would like to share my support for the Jackson International Food and Art Festival.

The Jackson International Food and Art Festival began ten years ago and has served to unite different cultures from around the world in Jackson, Tennessee. The festival has experienced significant growth and has become one of the most attended events in the City of Jackson.

We strongly affirm the mission of the festival to spread cultural awareness, promote cross-cultural engagement, and celebrate the diverse backgrounds of residents throughout West Tennessee. The festival is an example of how we can come together as one and celebrate our diversity.

Thank you to the many volunteers and financial supporters who make the Jackson International Food and Art Festival possible. Their efforts fulfill the mission of the festival to provide cultural experiences for all ages through education, food, art, and the performing arts.

We hope you will take a moment to review opportunities to become a supporter of the Jackson International Food and Art Festival and celebrate our rich diversity and unity. We look forward to seeing you on Saturday, September 21, 2024.

Sincerely,

A handwritten signature in blue ink that reads "Scott Conger". The signature is fluid and cursive, with the first name "Scott" and last name "Conger" clearly legible.
